

Single-pole toggle switch

6,49€ – 8,00€ VAT incl

SKU: MCFL0200300Y4

https://www.mc-fact.eu/en/shop/lighting/switch-rocker-single-pole/

Single-pole toggle switch with a vintage design.

It has 3 connections and is a single-pole switch; it stands out because it can accommodate any type of 2- or 3-wire electrical cable—whether twisted or round—and also allows for the connection of a ground wire.
