Standard industrial and decorative metal plumbing pressure gauge (Ø63mm) for plumbing and DIY projects such as industrial-style brackets, light fixtures, pipe lamps, and many other industrial-style decorative items.

PLEASE NOTE—this pressure gauge is a fully functional plumbing gauge and can be used for industrial decor. Its operating range is 0 to 100 bars, and its quality is far superior to that of decorative models. These gauges feature a flawless paint finish and are fantastic for enhancing your creations.
